Riesling, Stone Cellar 2022

Stone Cellar wines begin with a vintage that is a harmonic balance of place and people. But for a wine to be honored as Stone Cellar, our family of winegrowers and winemakers must concur, the wine is tension with intention. Stone Cellar wines continue the perseverance of our pioneering ancestors, who hand dug the Stone Cellar more than a century ago. Wet slate, candied lemon and dried apricots burst into a mouthwatering finish.
